Frederikke Sejer Godtfredsen

Assistant Attorney

As a former public sector advisor at the Danish Agency for Digitization and the Danish Agency for Development and Simplification, Frederikke Sejer Godtfredsen has in-depth knowledge of IT contracts and the handling of personal data law issues related to the implementation of IT systems.

As a legal advisor in various IT projects, Frederikke has primarily handled tasks related to suppliers and contracts as well as disputes and negotiations. In addition, Frederikke has also assisted with GDPR-related issues, including data processing agreements and security incidents.

Frederikke speaks English and the Scandinavian languages.
