Josephine Winge

Attorney

Josephine Winge is part of the Corporate Commercial/M&A department. Josephine Winge specialises in company law and commercial law for both national and international clients.

Josephine Winge has advised many well-established companies as well as start-up companies, where she, among other things, has advised on capital increases, venture funding, implementation of incentive programmes, preparation of investment agreements and shareholders' agreements, corporate restructurings, mergers as well as the handling and resolution of conflicts.

Additionally, Josephine Winge is experienced within the field of M&A transactions, including the preparation of NDAs, Term Sheets, planning and performing legal due diligence on behalf of a seller or a buyer, as well as drafting transaction documents.

Josephine Winge speaks English and the Scandinavian languages.
